The season will begin on May 25th for 8 weeks completing at least 10 games. The games will be played either at the high school or on the lower softball field at the recreation center complex.

Bats, bases, balls, and catcher's equipment will be supplied by the recreation department. You will be responsible for a glove and cleats which must be worn on the field.

If you are an overly competitive person, loose their temper easily, has no patience, or cannot get along with others, then we recommend another program for you.
