

Clark Community Pool Swim Team Registration

The Clark Pool Swim Team is open to all swimmers ages 5—18. Swimmers must be able to swim one full lap across the pool without assistance in order to compete. The season will include meets, practices, a swim-a-thon fundraiser and an end of the season party. We like to have fun while improving our skills! Our coaches will work on stroke technique and endurance at our daily practices. We pride ourselves in being a fun, recreational summer league. Swim Team registration is on-going and is \$25/child.
